

### **Battery operated smoke alarms**

Your property has .... battery operated smoke alarms, situated in the locations below . Please check that these are in full working order as soon as you move in, and replace batteries if necessary. If after changing the batteries, your smoke alarm is still not working, please call us on 0300 5000 601 as soon as possible.

Please remember that YOU are responsible for keeping working batteries in the alarm at all times.

### **Mains wired smoke alarms**

Your property has .... mains wired smoke alarms, situated in the locations below . Please check that these are in full working order as soon as you move in. If they are not working, please call us on 0300 5000 601 as soon as possible.

### **No smoke alarms fitted?**

If your home does not have smoke alarms, South Wales Fire service offer a free smoke alarm fitting and fire safety visit – check out <http://www.freesmokealarm.co.uk/> for more details.

### **Fire fighting equipment**

Your home has the following fire fighting equipment in the following places:

All equipment is checked yearly and replaced if necessary – this is organised by your landlord, and the due date of the next check will be on the appliance.

If you use any fire equipment, even by accident, please let us know straight away on 0300 5000 601 so we can arrange a replacement.
